~~CASEY~~

~~Oh. Right.~~

REGINALD B. RICHLEY III enters through the front door. Very rich.

Start

REGINALD

Miss Heather!

HEATHER

Well look who it is! Good to see you, Reggie!

REGINALD

Good to see you too, darling.

HEATHER

How are you? How's the wife?

REGINALD

She hated our trip to Milan.

HEATHER

Oh no!

REGINALD

She said it got boring after the first two months. I told her that as long as she keeps spending my money on Birkin bags, I get to keep choosing the vacation spots. Ha ha!

HEATHER

Sounds like you two are doing great.

REGINALD

We really are.

REGINALD B. RICHLEY III notices CASEY.

Ah! I see we've got a new face in here.

HEATHER

This is Casey.

REGINALD *extending a hand*

Reginald B. Richley III. A pleasure.

CASEY *shaking his hand awkwardly*

Nice to meet you.

HEATHER

Mr. Richley's a world-renowned scientist. Astrophysics?

CASEY

I've seen your show. It's really good. You're so – you're, like, um – you're really smart.

REGINALD

You flatter me. Thanks for watching. So – I just got a call from Grant. Is he here?

HEATHER
He was. I don't know where he went.

REGINALD
I guess I can take a look myself.

REGINALD goes to the back room.

CASEY
Wait, be careful!

REGINALD taps a few times on his phone and opens the door. The sounds of a forest.

REGINALD *closing the door*
No, not quite. Strange.

CASEY
You know about this?

REGINALD
Know about it? I helped make it!

HEATHER
Of course you're behind this.

REGINALD
Grant had some extra money and hired me to help him make something special.
Once we work out the kinks, this is going to be a game-changer.

CASEY
So it's malfunctioning.

REGINALD opens the door. A basketball flies out. He catches it and throws it back, then closes the door again.

REGINALD
Yes.

CASEY
Why?

REGINALD
I'm not quite sure.

CASEY
What would happen if someone went back there?

REGINALD
Well, they'd have to use they app –

HEATHER
There's an app for that thing?

REGINALD
Grant didn't tell you about the app?

HEATHER
He didn't tell us about any of this!!

REGINALD
If someone went in there without the app, that might cause a malfunction.

HEATHER
But no one's gone back there.
To CASEY.
Right?

CASEY
Um, yeah. Right.

REGINALD
Well, I'll look at this with Grant after hours and we'll sort it out.
But since I'm here, I may as well look at some socks. Got anything for me, Heather?

HEATHER
Do I. Tell me this Dove Grey isn't just delicious.

REGINALD
I've been waiting for this color to come back since the 2015 collection. Is this my size?

HEATHER
11 right on, no more, no less.

REGINALD
You know me too well, Heather. I'll take them.

HEATHER
You know the drill.

End

REGINALD pays. HEATHER boxes up the socks.
GRANT enters.

GRANT
Reginald Richley!

REGINALD
Look who it is!

GRANT and REGINALD hug.

GRANT
So we need to talk about a little tech problem.
– Did you just buy these?

REGINALD
You know I can't help myself.
